

OLAC Video Games Genre Terms

Genre terms from the OLAC Video Games Genre Terms (olacvgtt) vocabulary may now be used in Polaris bibliographic records for video games. They may also be used in OCLC records.

Do not delete these terms when importing records into Polaris. Feel free to add appropriate terms from the list in addition to terms noted in the SHARE local cataloging standard [Video games and computer games](#).

Authority records for OLACVGGT terms have been downloaded so these terms will validate in Polaris records.

Guidelines for the OLAC Video Games Genre Terms may be found on the OLAC website [here](#).

MARC coding for terms from the OLACVGGT: **655_7 \$a**Quiz video games.\$2olacvgtt
