

South Macon Public Library, Macon, IL

The 3 P's of our Project

- Practical – Expanded Large Print and Audio Books, CD players to play those audio books and memory kits for our patrons that are suffering from dementia.
- Programming – Book clubs, exercise class for our patrons with mobility issues
- Partnerships – Looking for partners in our community and beyond to help meet our patrons needs: Macon County Health Department – Starting Point, Senior Citizens Group of South Macon Township, U of I Extension office and South Macon Fire Department.

Expanded Large Print and Audio Books

Memory Kits
