Hello!

Thank you for registering for access to these webinars! Illinois Heartland Library System has purchased the license to three webinar recordings from the Library 2.0 "Service, Safety, and Security" webinars by Dr. Steve Albrecht.

Your first step to access the recordings is to sign up for a free Library 2.0 account at <https://www.library20.com/main/authorization/signUp?> **VERY IMPORTANT:** when you join the network, please choose "Illinois Heartland Library System" on the last question. If you don't, Library 2.0 will have to manually add you to the group so you can have access to the webinars.

Safety & Security

VERY IMPORTANT

Once you have a Library 2.0 account, go back to the original email and click the link for the special Illinois Heartland page

<https://www.library20.com/illinois-heartland>

Registering for Access to Library 2.0's Safe Library Webinars

Library 2.0 does have to approve all memberships, which happens within a few hours. They do this to avoid spammers trying to contact their membership, which is over 52,000 people. Once your membership has been approved you will receive a confirmation email from them and then you can access the previous recordings by going to our special page at <https://www.library20.com/illinois-heartland>.

Safety & Security

- If you already have a Library 2.0 account, email admin@library20.com to get added to the IHLS group.
- Lastly, please take my quick survey about which of the webinars you plan on watching 😊

Registering for Access to Library 2.0's Safe Library Webinars

If you are already a member of Library 2.0 and are getting this email, the staff at Library 2.0 will have to add you to the Illinois Heartland group manually. Please email them at admin@library20.com and ask them to do so.

Finally, please take this [very quick survey](#) to help us know which webinars you plan on watching.

If you have any questions, issues, or suggestions for other learning topics, please reach out to me!

Best,

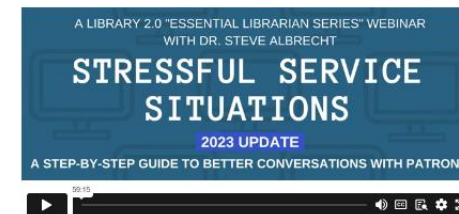

Kate
