

Manga

Please note: the policy for Graphic Novels differs from the policy for Manga

Are you having trouble determining if your material is manga? Check out this [blog post](#) from the New York Public Library to learn more.

Bibliographic Record

Do not use serial records or set records for manga—use a monograph record for the individual volume.

Subject Headings

Use the free-floating form subdivision **tv** Comic books, strips, etc. with all topical headings.

650 _ 0 **ta**Runaway teenagers**tv**Comic books, strips, etc.

650 _ 0 **ta**Voyages and travels**tv**Comic books, strips, etc.

Delete duplicate subject headings that are the same heading with a different subdivision.

Form and Genre Headings

Assign genre headings from the LCGFT as appropriate. Use the following form headings for manga materials:

655 _ 7 **ta**Graphic novels.**2l**cgft

655 _ 7 **ta**Comics (Graphic works)**2l**cgft

655 _ 7 **ta**Manga.**2l**cgft

655_7 **ta**Shōjo manga.**2l**cgft OR 655_7 **ta**Shōnen manga.**2l**cgft, as appropriate

Shojo and Shonen

If your item has “shonen” or “shojo” written somewhere, do not include this as a series statement. Instead, include it as a genre term.

Example:

245 10 **ta**Snow White with the red hair.**n**17 /**tc**story and art by Sorata Akiduki ; translation, Caleb Cook ; touch-up art & lettering, Brandon Bovia.

250 _ **ta**Shojo beat edition.

655_7 **ta**Shōjo manga.**2l**cgft

OR

245 10 **ta**Dragon Ball Z.**n**Vol. 5,**p**Dragon Ball in space /**tc**story and art by Akira Toriyama ; English adaptation by Gerard Jones ; translation, Lillian Olsen.

250 **ta**Shonen Jump manga edition.

655_7 **ta**Shōnen manga.**2l**cgft

Translations/Adaptations

For Manga that has been adapted into English, enter the work under the main author/artist. Make an added entry for the adaptor.

245 10 ~~†a~~Dragon Ball.~~†n~~Vol. 1 /~~†c~~story and art by Akira Toriyama ; [English adaptation, Gerard Jones ; translation, Mari Morimoto ; touch-up art & lettering, Wayne Truman].

Titles vs. Series Statements

If the title and numbering is listed in the 245 ~~†n~~/~~†p~~, do not repeat the same information in the 490/8XX fields. Only include a series statement if it differs from the title.

245 10 ~~†a~~Penguin & house.~~†n~~Vol. 1 /~~†c~~Akiho Ieda ; translation, Sawa Matsueda Savage ; lettering, Evan Hayden.

246 30 ~~†a~~Penguin & house.~~†n~~Volume1

[No need for a 490/8XX]

Include series statements if they differ from the title of the work. Search the authority files for the series to determine the appropriate wording, and include the 8XX.

245 00 ~~†a~~SpongeBob SquarePants.~~†p~~Tales from Bikini Bottom /~~†c~~created by Stephen Hillenburg.

490 1 ~~†a~~Cine-manga

830 0 ~~†a~~Cine-manga.
